Nauset High School Building Committee

Citizen Volunteer Interest Form

The Building Committee is an organization established 2+ years ago to oversee the Construction and Remodeling of Nauset Regional High School. The 17 member Committee meets as needed, usually once a month, sometimes twice a month at 5:30 pm. Its purpose is to help in the decision making process involved in the High School construction project. Every now and then there is a vacancy on the committee. The Regional School Committee is developing a list of candidates to fill any vacancies that become available. If you have interest in serving on the **Nauset School Building Committee (NSBC)**, please fill out this form and submit it to :
